

Oregon Fire Service Honor Guard Creed

I have earned the right to wear the uniform

Of a fire service honor guard;

I serve as a proud member

My standard will remain perfection,

Anything less I will not accept.

This is how I honor my brothers and sisters

past, present and future.

I remain at my post,

Motionless at my choosing

Regardless of weather, temperature or time.

I carry the colors of my country, state and department

I display them proudly and properly.

I remain humble for it is the fallen

That command the respect and honor that I guard.
